

The Course will Open April 2:

The thought of spring is so exciting this year. Green grass, warm sunshine and getting outside. Although we are excited about the coming year we are also grateful for the snow that we winter brought. After last summer's fires and heat, the thirsty earth needed the winter and moisture to heal and renew. The hope the coming of spring will bring warm rain and sunshine.

Spring Projects:

We look forward to set-up, clean-up and that first mowing of the course for play. This year we will continue our work on the mounding. We are also planning on minor modifications and new surfacing for the building deck. As always, there is more work to do on tee boxes.

The Course Schedule:

The course will be set-up weather permitting April 2nd and open 7 days per week, sunrise to sunset through October 31.

MSGA Handicap:

All the tee boxes are now rated and we are excited to start a new season with upgraded tees. We will be working on irrigation for the rest of the new tees.

Reminder:

Although Judith Shadows has scheduled events on Monday, Wednesday and Thursday evenings, the opposite 9 is available to open golf. Remember, it is always good to call to verify for Tournaments.

Event Center (aka "The Cart Barn"):

We have been busy scheduling new events at the Cart Barn. It is exciting to meet all the new people coming out to the golf course, even if they are not golfing.
